This season you can get a two letter code or initials on your bands. If you would like initials on your bands, please list 3 choices of two letter combinations and we'll try to give you your first choice, but these cannot be repeated by more than one breeder so they will be assigned on a "first come" basis. **We can only deliver coded bands on orders placed before September 15, 2011.** On letter code/initial bands only, please state what numbers you would like us to issue your bands in, example; 100 – 199. We are ordering our bands from Belgium again this year using the COM color rotation which will be RED for 2012.
