

The links below are for people who have song contest canary cages for sale. The cages are new and being made by these club members. Please contact them directly for prices and availability.

davejanrose@sbcglobal.net

David Rose is making super nice waterslager/COM style cages with dowel connections; contact him for more info.

timbrado@comcast.net

The images below are Valencia cages made by Ray Terrazas from Houston. He also makes other styles.

conniesuzanne@hotmail.com

The images below are of cages made by Silvano Galban. They are made of cabinet grade plywood and would be acceptable at USTF contests.
